O&M Manuals

Mechanical Engineering

Building Manuals

Commissioning Plans

## DESIGN AND CONSTRUCT CONTRACTS: HOW CAN D&A ASSIST YOU?

Design & Construct (D&C) projects are becoming increasingly common across all industry sectors. This model may be a preferred method as it manages risk and controls costs, but what does it mean to you as a Contractor? And are you dismissing projects because you don't have in-house Engineers or Drafters?

Dewick & Associates can assist with most **Mechanical D&C Engineering** and are able to provide **drafting services**. Our team consists of chartered and VBA / RPEQ qualified Mechanical Engineers and Design Drafters, with consulting and contractor design experience.

### Mechanical Engineering

Alexandrina Council, Goolwa Oval  
Sporting Complex, SA

### Mech Eng & O&M Manual

68 Mollison Street  
Abbotsford, VIC

### Suite of Documents

Loxton High School  
Redevelopment Stage 1, SA
