

ALT HOTEL AT UNIVERSITY DISTRICT WEST CAMPUS BLOCK 14C

PETRIN MECHANICAL (ALBERTA)

Project Introduction

The Alt brand was created in 2007 when they opened their first property on the South shore of Montreal. The initial idea was to create a concept that would appeal to travellers looking for a comfortable stay, in a great location, with welcoming staff, that they would want to go back to. The University District Hotel has 155 rooms, seven meeting rooms that accommodate 2-150 people, & two rooms suited to board meetings for up to 16 people. The University District Hotel is unique because it is adjacent to a university community, has adaptable accommodation & amenities for hybrid work schedules & remote work flexibility & is LEED certified.

How D&A worked with Petrin Mechanical:

Services Provided:

- **Mechanical Services O&M Manuals** in D&A format
- Full technical authoring for mechanical services package of works
- Liased with the services contractor to ensure current tech data was collated to enable **detailed bespoke documentation** to be provided
