

# ADELAIDE FESTIVAL SQUARE CAR PARK

## DCM / TYRONE ELECTRICAL

### Project Introduction

Adelaide Festival Square is right in the heart of the Adelaide CBD, bordered by the Adelaide Railway Station, Parliament House & the River Torrens to the north. The 5,000m<sup>2</sup> city square will provide a connection between the Adelaide Oval, railway station, Casino, Festival Centre, Adelaide Convention Centre & Riverside area. In support of these attractions, a new 1,500 space carpark was built below ground throughout five basement levels. The carpark also boasts bicycle end of trip parking facilities & bicycle parking spaces.

### How D&A worked with DCM & Tyrone Services:

#### Services Provided

- **Mechanical & Electrical O&M Manuals** in a provided format
- **Uploading** of manual sections to Aconex
- Full **technical authoring** for mechanical services package of works
