

ALICE SPRINGS YOUTH JUSTICE CENTRE

ASBUILT NT

Project Introduction

The Alice Springs Youth Justice Centre is a medium to maximum security prison for juvenile males & females located in Alice Springs, Northern Territory. The ageing accommodation facilities have been redeveloped & enhanced with the provision of a new medical & health area, recreation program delivery spaces & provided with advanced security systems to make the facility fit for purpose.

How D&A worked with AsBuild NT:

Alice Springs Youth Justice Centre received a detailed handover package from D&A including;

- Comprehensive **Building Handover Manuals**;
- Contacted subcontractors & provided them with an online **portal** with individual logins & requirements for all documentation;
- Detailed **Commissioning Plans** for all services: mechanical, medical gas, fuel system, data, security, intercom, audio visual, hydraulic, fire, radio repeater;
- **Mechanical & Electrical O&M Manuals**
- **Mechanical** As-built drawings.

Project Highlights

- **Location:** Northern Territory
- **Value:** \$13.1 Million
- **Discipline:** architectural, structural, mechanical, electrical, security, fire
- **Principle Contractor:** AsBuild NT
- **Industry Sector:** Government

*Dewick have been very helpful to our company on numerous projects, I've always found the handover documentation at the end of a project onerous & time-consuming & believe my time is more valuable focusing on the next project, I can recommend Dewick, they are prompt, professional & cost effective in my opinion. **ASBUILT NT***
