ENDEAVOUR COLLEGE

SMART TECH ELECTRICAL

Project Introduction

Endeavour College is a non-government co-educational secondary school providing educational experiences for Years 7-12 within Mawson Lakes. The college holds strong links with the University of South Australia & the surrounding business community, providing students with access to innovative, multi-media technology & sporting facilities. Originally built in 1999, the building has been refurbished to provide state of the art teaching & learning facilities.
