

# LONDON BUSINESS SCHOOL B WING REFURBISHMENT – STAGE 3 LONDON AC

## Project Introduction

The London Business School was founded in 1964 & is an international business school. The London Business School's main campus is made up of the following buildings: Ratcliffe Building, A, B, C, D, E Wing, Plowden Building, The House no. 1, The Laing House, North Building. The B Wing consists of commercial kitchen/dining spaces on the ground & lower ground floors & had Class A office spaces on the 1st floor. The sleeping accommodation on the 2nd & 3rd floors was refurbished into additional office space.

## How D&A worked with London AC:

### Services Provided:

- **Mechanical Services O&M Manuals** in D&A format
- Full **technical authoring** for mechanical services package of works including:
  - Mechanical Ventilator Heat Recovery System
  - VRF Air Conditioning Systems
- Liased with the services contractor to ensure current tech data was collated to enable **detailed bespoke documentation** to be provided
- Provision of **Preventative Maintenance Log Sheets** & **Fault Finding** processes
