

MIDLANDS REGIONAL HOSPITAL (IE) NEW FEMALE SECLUSION ROOM AND ANTI-LIGATURE UPGRADE

E. CLARKE

Project Introduction

The Midland Regional Hospital Tullamore (MRHT) is the largest hospital in the Midlands of Ireland. It serves a population within the four counties of Laois, Offaly, Longford & Westmeath but also receives in growing numbers year on year activity from the counties of Tipperary, Galway, Roscommon, Kildare & other surrounding counties to a lesser extent. The Female Seclusion Room is part of the Department of Psychiatry was refurbished to ensure respect for resident dignity & privacy.

How D&A worked with E. Clarke:

Services Provided:

- **Electrical Services O&M Manuals** in D&A format
- Full **technical authoring** for electrical services package of works
- Liased with the services contractor to ensure current tech data was collated to enable **detailed bespoke documentation** to be provided
- Provision of **Preventative Maintenance Log Sheets & Fault Finding** processes

We have found D&A to be most professional & approachable on all current & past projects under our remit. We have found D&A to be capable & suitably experienced as they approached every project with enthusiasm & energy. All projects have been completed on schedule to a high standard. E. CLARKE
