PUDDLEDUCKS CHILD CARE

AIR DYNAMICS

Project Introduction

Puddleducks Nursery & Preschool is a family-owned early childhood education provider that has served the Palmerston North and Feilding communities since 2000. Gladstone Street Puddleducks, one of the first centres built, was replaced in early 2020 with a new purpose-built nursery & preschool centre within proximity of the Feilding CBD. The new centre provided facilities for under 2s to preschool-aged children, with separate sleeping & activity areas, an on-site kitchen & office space.
